The firm has the capacity to deal with a variety of legal matters, regardless of size and complexity. Its attorneys deliver strategic and innovative solutions that offer the best legal outcome for clients.

Mafenya Attorneys Inc. provides services across all aspects of law including:

- Criminal Law
- Family Law
- Maintenance Matters
- Deceased Estates
- Eviction Applications
- Debt Collection
- Divorces
- Civil Litigation
- Medical Malpractice
- Road Accident Fund Claims
- Commercial Law, including the structure of transactions, negotiation, and drafting of agreements, legal opinions, and legal due diligence.

The firm also offers conveyancing as well as general legal advice and litigation through the commercial, civil and labour spheres.

BUSINESS PHILOSOPHY

Mafenya Attorneys Inc.'s commitment to reliance and results means that its professionals provide cost-effective and efficient service with the aim of cultivating long-term client relationships. Consequently, we can react promptly and effectively to our client's urgent needs.

Values

We strongly stand by the core values that drive us.

Reliance

Trust is earned. We strive to earn ours by maintaining a well-founded and positive reputation of being a firm with positive results for its clients.

Hard-Work

We place greater value to the effort we put in all the matters we attend to and hence this is a key-value that we attach to our name.

Results

This is a field that judges the work based on the outcomes provided; and as such, our firm is result orientated in all aspects. We hold a high standard and provide individualised solutions to better achieve tailored outcomes for each of our clients.

Aim

Mafenya Attorneys Inc. aims to advance the progressive realization of social justice in modern democratic South Africa by providing an equal footing to all people litigating more so to its clients. Further to the above, we remain focused and dedicated to uphold and promote the constitutional principles amongst our community to help realize a better future for all.

AREAS OF PRACTICE

Mafenya Attorneys Inc. offers professional services and expertise and is summarised as follows:

Family Law

Family disputes, differences, and misunderstandings may have legal consequences.

We assist with these and other services:

- Divorce Applications;
- Child Maintenance Matters;
- Custody and Contact Application;
- Protection Order Applications; and
- Spousal Maintenance Application.

Criminal Law

It often happens that a minor dispute between a friend; a family member and/ or someone you do not know could cause dire consequences. It is vital that you are well represented, and we ensure that the quality of our work is of a high standard. Our team has sound knowledge of the criminal justice system and the ability to gather evidence with the help of experts we ensure that we get the best possible outcome for our clients.

We offer the following criminal law services:

- After hours bail Application in and around Gauteng;
- Police Bail Applications;
- Prosecutor Bail Applications

Civil Litigation

It often happens that harm is caused to people when they least expect and as such there are legal consequences in those circumstances.

We advise in the following matters:

- Unlawful arrests and detention;
- Road Accident Fund Claims;
- Medical Negligence;
- Motor vehicle Collision;
- Workmen Compensation Fund claims;
- Consumer disputes;
- Debt collection; and
- Company Registration and Amendment and Contract Drafting.

Divorce Law

For the vast majority of people the decision to divorce is a difficult one; it comes at the end of a long process of personal reflection. Introspection and realisation that there is a problem in the marriage which the person feels the parties cannot fix. Where there are children involved, it involves breaking up a family and the knowledge that this decision will have reverberating effects on not just the couple but the family and extended family as well. We ensure that our clients receive all the procedural assistance necessary to in the divorce process, as well as providing emotional support through this sensitive period our clients' lives.

We assist with:

- Divorce Application;
- Rule 43 or 58 Applications;
- Protection Order Applications;
- Domestic Violence Matters;
- Children's Court Matters;
- Maintenance Claims and
- Applications To Register Customary Mariages.

Deceased Estates And Trust Administration

Death is an unfortunate and yet a big part of our daily lives. Even in such testing times and after, we are always there to assist with a smoother transition and adaption of the unfortunate surroundings.

We offer the following services:

- Urgent Application;
- Application of Validation of unregistered marriages; and
- Contestation of Wills
- Winding of Deceased Estates.

Conveyancing And Notarial Practice

We pride ourselves in guiding clients through the process of transferring ownership of any immovable property (real estate), every step of the way. We feel it is important for property owners to know and understand the property transfer and conveyancing process (as early as possible) and have enough relevant information at their disposal to make informed decisions.

We offer the following services:

- Registration of Property Transfers
- Township Establishment and Opening
- Sectional Title Opening and Transfers
- Estate Late & Insolvent Estate Transfers
- Exchange & Rectification Transfers
- Land and Sectional Consolidations and Partition registrations
- Endorsement registrations
- Development transfers
- Bond Registrations & Cancellations
- Land Claims and Land Tenure Rights
- Property Dispute Resolution and related legal advice

Property Law

Immovable property is amongst the most important commodities in modern day South Africa and with so many disputes due to the historic issues and future plans, our firm actively par takes in the protection of rights and application of the rule of law in the following:

- Evictions;
- Sectional title;
- Spoliation; and
- Drafting and managing of lease agreements
